

|                       |   |
|-----------------------|---|
| <b>Product name:</b>  | IFN gamma                                 |
| <b>Cat number:</b>    | MAB-94102                                 |
| <b>Conjugate:</b>     | Unconjugated                              |
| <b>Size:</b>          | 100 u                                     |
| <b>Clone:</b>         | 4S.B3                                     |
| <b>Concentration:</b> | 1mg/ml                                    |
| <b>Host:</b>          | Ms  |
| <b>Isotype:</b>       | IgG1                                      |
| <b>Reactivity:</b>    | Hu, No Hu Pr                              |
| <b>Applications:</b>  | ELISA, RIA, ICC, IP, FUNC, WB, FC, IHC(P) |
| <b>Purification:</b>  | Aff. Pur.                                 |
| <b>Form:</b>          | Liquid                                    |
